

DONATE YOUR OLD CELL PHONES!

Donate them to help a great charity.

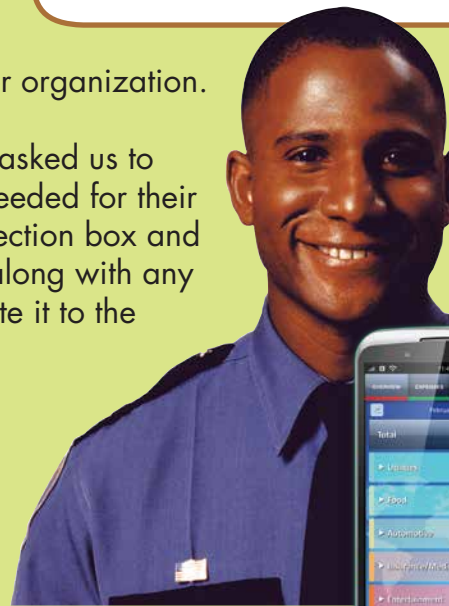

Secure the Call is a national coalition of over 425 organizations including Police and Sheriff's Departments, Battered Women's Shelters, Neighborhood Watch Groups, Senior Citizen Centers and School Crossing Guards. Donating your old cell phone will help Secure the Call provide these organizations with free 911 cell phones to be given out to the community.

Secure the Call collects the phones and then wipes them clean of any old numbers and address books. After charging, cleaning and testing the phones, they give them back out to their coalition partners who in turn distribute them to the community. Secure the Call is an all-volunteer organization.

Secure the Call needs your help. They have asked us to hold a phone drive to collect used phones needed for their program. They have provided us with a collection box and are asking that anyone with an old phone (along with any accessories you may have) generously donate it to the program.

As a bonus, your phone donation is tax deductible. A tax form is available on their website at www.securethecall.org. Thanks to everyone for their help.

"Together, we can help thousands of local citizens feel safe and secure."
